73-10-32.5, Utah Code Annotated 1953

Be it enacted by the Legislature of the state of Utah:

Section 1. Section **73-10-32.5** is enacted to read:

73-10-32.5. Culinary water pricing structure.

A retail water provider, as defined in Section 73-10-32, shall:

(1) establish a culinary water rate structure that:

(a) incorporates increasing block units of water used; and

(b) provides for an increase in the rate charged for additional block units of water used

as usage increases from one block unit to the next;

(2) provide in customer billing notices, or in a notice that is distributed to customers at least annually, block unit rates; and

(3) include individual customer water usage in customer billing notices.
